

Administrators

Medical providers & staff

Build schedules using Amion's powerful desktop scheduler, OnCall, on Windows & Mac. Share to Amion.com where staff find on-call providers.

Send secure texts to mobile devices

Sync to iPhone, Google or other calendars

Schedules are sent to the web at Amion.com. Online requests and online changes flow back to update the master schedule in OnCall.

Use Amion to view on-call, shift and residency schedules. Contact on-call providers. Trade shifts. Submit requests.
